Dear Paul:

“An awesome speaker”
“Absolutely inspiring - thank you”
“Excellent speaker— very touching and inspiring”
“I felt like I was right there in the story with Paul, excellent presenter”

A sampling of the many wonderful comments we received about your presentation at our 113th convention in Philadelphia, PA. We had over 300 people in attendance and you had everyone's attention. We could have heard a pin drop during your presentation. Your story touched so many in our audience that we were still talking about it at the banquet that evening.

I would be delighted to recommend you as a speaker. Please feel free to give my contact information to anyone who is looking for a dynamic presentation and a professional speaker.

Paul, it was a pleasure to work with you. Your making contact with me periodically leading up to your presentation made my job so much easier. When we got to Philadelphia, there were no surprises and the event went very smoothly. Thanks for helping to make the NAMIC 2008 convention one of the best ever.

Sincerely,

Rae Malesh
